

We're here to help

Did you know the federal government is offering billions to schools and libraries

As classrooms become more digitized, ensuring classrooms and students are equipped with the right tools can be challenging. But thanks to the FCC, eligible schools, school districts and libraries can receive crucial funding for:

- Telecommunications
- Telecommunications services
- Internet access
- Internal connections
- Basic maintenance of internal connections
- Managed internal broadband service

How to navigate the E-Rate program

At RUCKUS® Networks, we've successfully helped guide hundreds of primary education staffers through the budgeting, forms and audits to receive federal funding. And we can help you too.

Check out our **infographic on 6 steps for a successful E-Rate season** to see how you can apply for funding now.

Why choose RUCKUS as your E-Rate partner?

RUCKUS offers a number of reasons as to why we should be your E-Rate partner.

Tools

- [Education network solutions product guide for E-Rate](#)
- [An E-Rate eligibility product search tool](#)
- [A budget calculator](#)

Wired and wireless solutions

We provide a range of technologies that enable indoor and outdoor Wi-Fi, wired and wireless connectivity, internet of things integration, secure onboarding of students and devices, cloud-based services, analytics, and security and safety.

Dedicated E-Rate team

- Understands how to work with limited budgets and resources
- Knows compliance and regulatory requirements
- Has experience building and managing complex networks
- Features a proven track record

What are you waiting for? Nearly \$4.5 billion has been earmarked to update school and library technology in the coming year.

Email our specialized E-Rate team to learn how to get all the funding you deserve today. We are your E-Rate partner.
